As manager of the charming Greyfriar House Hotel, Melanie Marshall loves her job and spending time with her young son. But she can never forget what she ran away from: her late husband's crimes and her own terrible guilt. Though lonely, Melanie can't afford to let another man into her life. But when her boss, gorgeous hotel owner Jack Summers, returns from his supposed wedding without a ring or a wife, Melanie discovers there's more to him than she ever thought. For one, the ex-soccer star is her son's idol. But the closer she gets to Jack, the more she pulls away. She can't share her past. Ever. For too long, Jack's protected his scarred heart by letting gold-digging women make him think love didn't matter. But a sweet single mother and a soccer-crazy little boy change everything. He knows Melanie has secrets.
