## REMEMBER THE POPOVERS RECIPES FROM KAREN S KITCHEN EBOOKS 2019

Author: Alison Schneiger

Release Date: Expected @@expectedReleaseDate@@

This cookbook is a collection of recipes from my mom, Karen Huckfeldt. Included here are family favorites including most of her well-known and loved dishes. I put this book together as a gift for my brother, Ben Caldwell and his new bride, Emily. Unfortunately, she didn't get the chance to know the love of our mom. This book is for them and for all our family and friends to have a way to remember and honor mom. She was loving and wonderful, and a creative and inspiring cook who loved to nourish us all, not just with food but with love and optimism. We will remember her always, especially while whipping up a batch of popovers! She passed away in 2003 from ovarian cancer. In honor of her and all of us affected by cancer, all proceeds from the sale of this book will go to cancer research and awareness.
