I didn't know she was my student the first time I paid to watch her at Voyeur. Once she walked into my classroom, another smiling college freshman, I knew I should stop going. Stop watching. But I couldn't do it. Everything about her makes me want more, and once I realize she wants me too, the temptation becomes irresistible. The worst part is that she has no idea her professor is the one watching behind the glass. I just have to hope that once she finds out the truth, she wants the same thing I do. Because now that I've seen all of her, I can't look away.
