WAREHOUSE SAFETY EBOOKS 2019

Author: George Swartz

Release Date: Lanzamiento previsto: @@expectedReleaseDate@@

Because warehouses typically contain no dangerous machines or high-risk operations, employers and employees often develop a false sense of safety and security. With this book, you will learn how to proactively develop formal safety programs and reduce the number of safety incidents and losses that occur in your warehouse environment. Warehouse Safety discusses such topics as the nature of warehouse operations and safety statistics and examines the components of an effective safety program, including meetings, job safety observation, and safety incentives.
